

Dear Students,

Please observe the revised student rights for this year's SING! performance:

You may not skip, cut, or drop a required academic activity for the purpose of SING!. You cannot tell your teachers that you must skip their class for SING! related reasons. SING! is an after school activity and will never require you to miss class time. If you skip a class and are caught rehearsing by that teacher you will be kicked out of SING!.

- I. A list of students involved in SING! will be submitted to all teachers. Teachers reserve the right to consult this list when patterns arise in decline of student participation (i.e., sleeping in class, missing homework, cutting class, lower grades). Teachers may approach a student with concerns in these areas and inquire as to a relationship with SING! involvement. If the pattern of decline does not change, the teacher reserves the right to enlist a student for a guidance meeting. If a relationship is confirmed, parents will be called and the student will be removed from SING!.
- II. If you are absent from an entire day of school or a significant number of classes, you cannot attend rehearsal or perform in SING!. Any student doing so will be removed from SING! Stay home and rest if you are sick.
- III. Everyone participating in SING! must have passed all of their classes last term. A student with an overall GPA lower than 80 will not be allowed to participate in SING! (Administration is open to discussion). A list of students will be reviewed by the administration for failing SING! participants. Any students caught participating in SING! after being removed will result in point deductions from that SING!
- IV. Respect Stuyvesant property. Any property destruction will be treated by the administration as if it occurred during school hours. If you make a mess, clean it up or ask a janitor for help. Any complaints from faculty or janitors will result in a loss of a rehearsal day for that respective SING!. Do not bring food in the school (this includes all-days). Go outside for food. If you're caught, you will be removed from practice.
- V. Respect Stuyvesant faculty as you would during school hours. In addition, SING! faculty advisors are in charge. They should be contacted with serious questions and concerns.
- VI. All SING! participants must leave the school building at the designated time for that week. Failure to do so will result in the loss of a rehearsal day.
- VII. Dangerous moves are not allowed in SING!. Faculty advisors reserve the right to ask you to change your routine. If you do not follow their requests, there will be point deductions.
- VIII. Non-SING! participants cannot linger in school after 5 pm.
- IX. Non-SING! related activities(i.e. games) are prohibited during rehearsal.
- X. Cell phone use is prohibited.
- XI. SING! tickets must be paid for with a check or money order.
- XII. Shoes must be worn at all times when on stage; points will be deducted from your grades SING! if rules are not adhered to.
- XIII. Unless you have a ticket to watch SING!, you are required to leave the school's premises once your grades performance is finished.

I have read the aforementioned policies and understand that I must abide by them in order to participate in SING!
